over Sfeermakers

Persoonlijk familiebedrijf met grootse service

In 1977 richtte Herm Jan Mateboer zijn onderneming Eurogros op. Hij begon met de verkoop van kokosvloerbedekking en textiel. In de jaren 90 heeft zijn zoon Aart Mateboer samen met zijn vrouw Anje het bedrijf overgenomen. In die tijd bestond de collectie voornamelijk uit furnituren, vloerkleden en tafelkleden.

In 2022 werd Lennart Mateboer, een zoon van Aart en Anje, de eigenaar van Eurogros. De focus ligt nu op vloerkleden, traplopers en traproeden. We bieden onze producten aan met een enthousiast team van zestien collega's. Samen werken we verder aan ons bedrijf.

Ons team is de vraag gesteld waar Eurogros volgens hen voor staat: "Wij zijn een familiebedrijf en staan voor persoonlijk contact en goede service". Dat is waar we voor willen gaan en daar kunt u ons aan houden.

Winkelpresentatie

Een winkelpresentatie kan een product maken en breken. Daarom leveren wij op maat gemaakte meubelen voor onze karpetten en stalen. Naast de presentatietafel en presentatieladder levert Eurogros ook wandpanelen voor een ruime collectie stalen met daarbij de mogelijkheid om onze collectie met sfeerfoto's te laten tonen via een tv-scherm. Het voordeel is dat u klanten een nog beter beeld kunt geven van de ruime mogelijkheden en het geeft de nodige inspiratie.

Wilt u hierbij ondersteuning? Onze vertegenwoordigers gaan graag het gesprek met u aan over de winkelpresentatie.
